BSc Nursing Program
2021-2022

Dear Student,

Congratulations on becoming a part of Gulfreen Nursing College. Your selection in the **BSc Nursing Program** at this institute has been made on merit basis and we wish that you will perform well throughout your period of study.

Your session begins on 14th January 2022. You are required to report at your college at 8am on this day. There will be an orientation for all students on the 14th and 15th of January 2022 to introduce students to the college, faculty and hospital (please see the orientation program below). Classes will commence from 17th January 2022. It is mandatory for all students to be present during the orientation week.

Students are required to bring the following documents upon their arrival on campus:

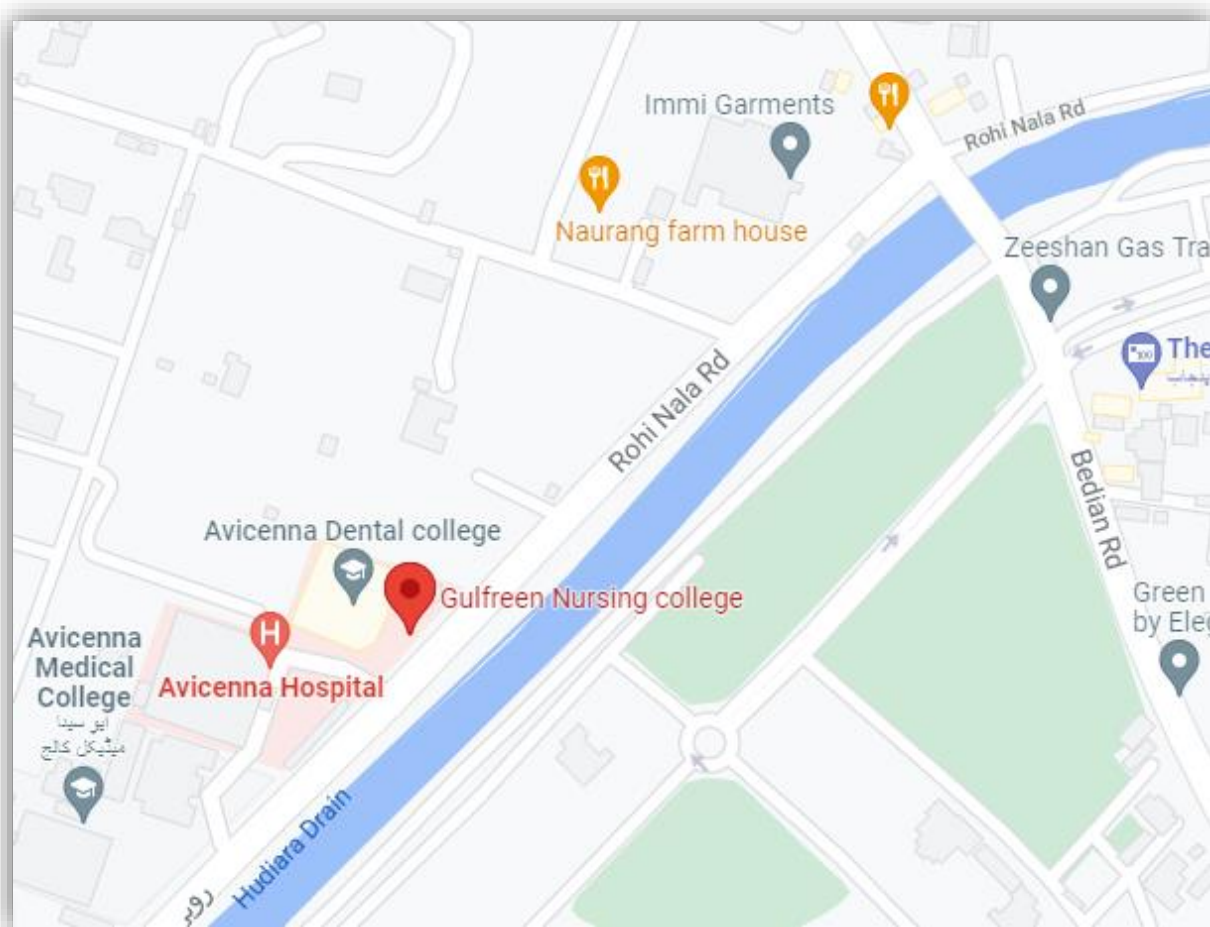

1. Matriculation certificate / result card
2. FSc result card / certificate
3. Copy of CNIC / B- form (student)
4. Copy of CNIC (Parents / Guardian)
5. 3 passport sized photographs (student)
6. Character certificate from your previous education institute
7. Domicile

All students are required to be in possession of the following before the commencement of their classes:

1. College ID card
2. Uniform
3. Text books / Practical copies
4. Medical Fitness certificate (will be given on campus after students get their medical examination)

All students are required to find accommodation off-campus as Gulfreen Nursing College does not provide any accommodation to BSc Nursing students.

Students coming from outside Lahore may please follow directions as follows to arrive on campus:

Upon arrival on campus, you are requested to be seated in the Auditorium in the Dental College building (first building on right when you enter the main gate). Representatives from the college will be there to assist you. Please see attached program for the 14th and 15th of January.
